2	Notification of Two-Minute Items There were none	
3,	Minutes and Matters Arising	
4	MA asked that item 6 be amended to record that 'a decision was agreed to build a party	
	wall on the boundary line between 84 and 86 East Sheen Avenue'. The minutes of the PCC	
	meeting on 30 November 2020 were then proposed by MA and seconded by CC and	
	agreed unanimously.	
	There were no summary records of PCC committee meetings.	
5	Church during Covid-19	
	AN had written to the PCC earlier that SM and CC would be closed for worship on Sundays	
	but that AS would be open. SM will be closed until at least 21 February and CC until at	
	least 28 February with the situation reviewed the week before. St Mary's had an outbreak	
	of Covid in the choir, a salutary reminder that we should all remain alert. The Church of	
	England is updating its guidelines regularly.	
6	Treasurer's report	
	JB reported that it is too early to have the finished accounts for 2020. It is likely that the	
	predicted deficit of £20,000 will be understated. The accounts are not behind schedule,	
	because of the date of Easter this meeting is earlier in the year than usual.	
	The parish has received two legacies, £56k from the Berners-Lees (SM) and £25k from	
	Adam Burr (CC). JB led the meeting in thanks to the families for these legacies.	
	Covid has affected the income of the individual churches more than the parish's, the	
	parish has economised by furloughing staff where possible which has resulted in payment of £3055 from HMRC.	
	Work at 17SGG will be £12k, it may be necessary to dip into the Fabric Fund for this.	
	AN thanked JB for all his work and emphasised that it was an early meeting not late accounts.	
7	Finance and Property Report	
'	MA thanked Cheri for her tireless hard work in ensuring that work on 17SGG has been	
	completed on time and within budget. The main expenditure was on the drains, followed	
	by filling cracks, redecorating, minor repairs, gas and electricity checks, gutters and the	
	garden. AN thanked MA for her part in this work.	
	CC reported that there is a leak in roof at the nursery in Alder Road, repairs will cost about	
	£900.

<ul> <li>8 Update on Wider Church Issues         AB reported that a Deanery Synod, the Revd Richard Sewell spoke about the recently         signed covenant between the Dioceses of Southwark and Jerusalem, which covers Jordan,         Palestine, Israel, Syria and Lebanon. There is much poverty, little healthcare, many people         living in need, particularly in the Occupied Territories.         There was also an update on Glass Door in Richmond.         The Team Rector of Richmond reported that Christ's School needs to recruit five         governors, all offers welcome.         </li> <li>9 Rector's report         AN reported that the Revd Chris Griffiths's licensing at Christ Church Wednesday 24         February at 7.30pm has not yet finalised by Bishop Richard. It will either be a service in         church with clergy and wardens which would be livestreamed, or via Zoom. Chris, his wife         Tamsin and son Nathan will move into the parish on 15 February.         The usual Lent lectures will not be possible this year. AS will have a five-week course on         Sundays at 6.30pm to discuss words used in prayer and worship, SM will discuss the York         course on Psalms and the poems of Malcolm Guite at 6.00pm on Sundays. These courses         are church rather than parish based as it is difficult to have large discussion groups via         Zoom but they are open to everyone.         </li> <li>10 Health and Safety         JA reported that keeping the Sunday morning services open has worked, some         people from other churches have attended, some people from AS have stayed away.         The Christingle service in the hall garden was wet but enjoyable. The crib outside the         church was a good physical presence and appreciated by passers-by. It stayed up until this         week.         Notice has been served on the nursery for non-payment of rent, as agreed at the PCC         meeting on 26 November 2019.         2020 finances should break even thanks to fund-raising events including a</li></ul>

There were two well-attended carol services, after which the choir was struck with Covid so Christmas services were from the Rectory. The year-end finances are about £5k over budget as all events and activities which generate income were cancelled.	
are church rather than parish based as it is difficult to have large discussion groups via Zoom but they are open to everyone.10Health and Safety JA reported that the pavement outside CC has been repaired. No other issues.11Church reports All Saints: FS reported that keeping the Sunday morning services open has worked, some people from other churches have attended, some people from AS have stayed away. The Christingle service in the hall garden was wet but enjoyable. The crib service on Christmas Eve was popular and will probably be repeated next year. The crib outside the church was a good physical presence and appreciated by passers-by. It stayed up until this week. Notice has been served on the nursery for non-payment of rent, as agreed at the PCC meeting on 26 November 2019. 2020 finances should break even thanks to fund-raising events including a reduced Christmas Fair which made £1k. St Mary's: PK reported that instead of the crib service children of the congregation contributed to 'God is with us', a video of the Christmas story, with thanks to GK for putting it together. I WE WEICOMED HUGH LTOOK AS OUT NEW DIFECTOR OT MUSIC	
<b>Christ Church:</b> JA reported that thanks to their new organist, music at Christmas was very	
well received. Two carol services were well attended with a good number of children at	
each. The outside crib has been popular with Sheen Mount families. The church is open for	
private worship each afternoon.	
Thanks to help from PK and GK, he hopes that livestreaming should be set up by Chris's	
licensing.	
JA will bring a faculty request for a new sound system to the next PCC meeting. JA
